Subject: Mtg on SoloPower and inspection file

Hi Dan,

It was nice talking with you. As I mentioned on the phone, Susan Elworth suggested I take a look at SoloPower based on recent events and provided me with some of their enforcement documents. I saw the recent BES inspection Nick Cisney did and thought I should understand the full enforcement history from BES' standpoint and maybe take a look at your inspection file. **Ex. 6 PP / Ex. 7(C)**, I'll preemptively apologize if I ask a lot of questions in understanding Portland's permitting program. I'm open Monday the 15<sup>th</sup> to stop by if both you and your counterpart in the industrial stormwater section are free. If Monday doesn't pan out I'm currently open the week of the 22<sup>nd</sup>. Thanks!
